It is that amount of Income Tax Withheld money that I am Asking about owing to the fact, before I left Newark you must rem-member that my self Braithwaite and your Lawyer ~~it~~ went to New York to have matter straighten out and he told us that the Gov they have withheld that amount of money to pay up our income tax: the Balance remaining he or you of yourself will mail us a check to cash at our bank but so far we did not receive any check or money So I want you Mr: Manley to look into that deeply as possible and explain every thing to me in your next letter which I am waiting so pacient-ly.

While I remain
